WORK EXPERIENCE

Product Design Intern

LumiSource LLC

Summer 2020 + Winter 2020 / Elk Grove Village, IL

Designed, prototyped, and oversaw several original furniture designs while communicating directly with international manufacturers on approved and ongoing projects. 13 of 16 proposed concepts were approved, and 7 are in or in process of being in production. Worked closely with design, manufacturing, and finance teams.

Fabrication + Design Intern

HexNest

October 2019 - May 2020 + Spring 2021 / Champaign-Urbana, IL

Worked alongside a multi-disciplinary team in the development and manufacturing of innovative gymnastic safety technology and testing materials. Also designed marketing materials.

3D Fabrication + Ceramics Lab Assistant

UIUC College of Art + Design

August 2018 - May 2019 / Champaign, IL

Supervised and aided students with machinery and projects, specifically woodworking and foam prototyping.

Studio Artist + Designer

GPTetrev Pottery / ViaClay Studio

May 2018 - Present / Oak Park, IL

Collaborating with owners to design marketing and social media content for the two businesses, while also creating and selling original work at the shop and gallery.
